FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463 June 16, 2004

Deborah Trudell, Treasurer  
Nevada State Democratic Party  
1785 East Sahara, #496  
Las Vegas, NV 89104

Response Due Date:  
July 16, 2004

Identification Number: C00208991

Reference: October Quarterly Report (7/1/03-9/30/03)

Dear Ms. Trudell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The totals listed on Lines 15, 17, 21(a)(ii), 21(c), 22, and 32, Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive and exempt activity costs are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

-Schedule H4 of your report discloses a payment(s) to Las Vegas Review Journal and Royal Festivals, Inc., which is categorized as an Administrative or expense; however, the purpose(s) of disbursement disclosed is "ad/voter reg. canvassers" and "voter registration booth." Please be advised that payments made for your committee's generic voter drive activities should be categorized as a Voter Drive expense on Schedule H4. Please amend your report to clarify the appropriate category for this activity or provide clarifying information regarding this apparent discrepancy.

-Schedule B supporting Line 22 of your report discloses a disbursement for an apparent refund or rebate to your non-federal account for a previously allocated expense. Please be advised the refund or rebate must be allocated between the federal and non-federal accounts according to the same allocation ratio used to allocate the original disbursement. Furthermore, the federal account must transfer the non-federal portion to the non-federal account using one of two methods.

The method of reporting described in Advisory Opinion 1995-22 allows a committee to itemize the refund or rebate as a negative entry on Schedule H4. Alternatively, a committee may disclose the receipt of the refund or rebate into the federal account on Schedule A supporting Line 15, and the transfer of the non-federal account's share to the non-federal account on Schedule H4. Please refer to the enclosed sample of properly reported refunds and rebates of allocable activity and amend your report as appropriate.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated.

Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
